Description Engineered for the rigorous demands of marine and offshore work, the GEFEST coverall delivers superior multifunctional flame-retardant protection, enhanced visibility, and long-lasting durability. Constructed from an advanced, lightweight cotton-nylon blend reinforced with antistatic carbon yarn, it ensures high safety performance without sacrificing comfort. Ideal for professionals in the oil and gas sector operating in warm or hot climates, this coverall complies with multiple international safety standards while maintaining a sharp, professional appearance.

FEATURES

Advanced Fabric Technology

Innovative flame-retardant fabric (260 gsm) with elegant 4/1 satin weave

Cotton-nylon blend with embedded antistatic carbon yarn

Composition of fabric – 87% cotton, 12% nylon, 1% antistatic

High tear resistance and extended garment life cycle

Multi-risk protection against fire, acids, oil, grease, and water

Safety & Compliance

Hi-Vis orange base color with contrasting navy reinforcements

Reflective tape 50 mm (2.0 in) on shoulders, back, chest, waist, arms and legs for enhanced 360° visibility

Meets HRC Level 2 (NFPA 70E) with ATPV 8.2 cal/cm²

Safe for use in explosive atmospheres thanks to ESD protection

Functional & Comfortable Design

Multiple utility pockets:

-chest, pen, mobile telephone/walkie-talkie and sleeve pocket;

-two side, one back and torch / hammer pockets

Action back and elastic waistband for increased mobility and comfort

Two radio/gas loops

Adjustable at: wrists and waist

Velcro strips for rank badges (additional strips can be added)

Two-way zipper closure

Industrial washable, breathable and abrasion-resistant
