OEKO-TEX®
STANDARD 100

The STORM coverall is specially developed for professionals working in high-risk environments, particularly in warm and humid conditions. It is made from durable 245 gsm high-performance fabric, combining 80% long-staple cotton, 19% polyester, and 1% antistatic yarn in a strong 2/2 twill weave. This cotton-rich construction ensures excellent breathability and natural comfort, while polyester enhances durability and resistance to tearing and abrasion. Integrated Belltron carbon yarn provides permanent flame-retardant and antistatic protection, guarding against flash fires and electrostatic discharge. Balancing comfort, mobility, and dependable multi-risk protection, the STORM coverall is a trusted choice for professionals in petrochemicals, utilities, and other demanding offshore and industrial sectors.

FEATURES

Advanced Fabric Technology

Innovative lightweight flame-retardant fabric (245 gsm) with a 2/2 twill weave
Integrated antistatic carbon yarn into the fabric to safely dissipate static electricity, preventing ignition in explosive atmospheres

Composition of fabric – 80% cotton, 19% polyester, 1% antistatic

High tear resistance and extended garment life cycle

Multi-risk protection against fire, acids, oil, grease, and water

Safety & Compliance

Base color with contrasting reinforcements

Designed for enhanced visibility to improve wearer safety in various work environments

Reflective tape 50 mm (2.0 in) on arms, waist, back and legs for enhanced 360° visibility

Offers anti-static properties

Electric arc protection rated at 10 cal/cm²

Delivers protection against liquid chemical splashes

Adheres to rigorous safety and quality standards, providing reliable and trusted protection

Safe for use in explosive atmospheres thanks to ESD protection

Functional & Comfortable Design

Multiple utility pockets:

-chest, pen, mobile telephone/walkie-talkie and sleeve pocket;

-two side, one back and torch / hammer pockets

Action back and elastic waistband for increased mobility and comfort

Equipped for the use with kneepads

One radio/gas loop

Adjustable at: wrists and waist

Velcro strips for rank badges (additional strips can be added)

Two-way zipper closure

Industrial washable, breathable and abrasion-resistant

STANDARDS

CE Certified
