OEKO-TEX®
STANDARD 100

The HUDSON coverall is purpose-built for professionals working in warm and hot environments, where both lasting comfort and essential protection are vital. Crafted from the high-quality 100% fine cotton twill, it provides exceptional breathability and a smooth feel, allowing for sustained high performance throughout demanding workdays. Its reflective fabric significantly enhances the wearer's presence in low-light conditions, substantially improving site safety. The HUDSON coverall delivers more than just comfort and visibility; it offers certified quality. This garment is an indispensable asset for challenging work settings, seamlessly blending lightweight comfort, critical visibility, and assured safety.
