EN 20471

OEKO-TEX®
STANDARD 100

The EXPLORER coverall is purpose-built for professionals navigating warm and hot environments, where both comfort and protection are paramount. Constructed from the premium 100% fine cotton twill, it delivers superb breathability and a smooth feel against the skin, supporting sustained performance through demanding shifts. Equipped with reflective fabric, the EXPLORER significantly boosts the wearer's visibility in diminished light, enhancing workplace safety. This coverall doesn't just promise comfort and visibility; it delivers certified quality. It's an essential garment for challenging work settings, providing a seamless combination of lightweight comfort, critical visibility, and assured safety.
