EN 20471

OEKO-TEX®
STANDARD 100

The ERIKSON coverall is meticulously designed for professionals tackling demanding tasks in warm and hot environments, where both enduring comfort and reliable protection are essential. Made from the high-grade 100% fine cotton twill, it provides outstanding breathability and a comfortable feel, supporting consistent peak performance through extended work periods. Featuring reflective fabric, the ERIKSON notably improves the wearer's visibility in challenging light conditions, boosting overall site safety. This coverall offers more than just comfort and enhanced visibility; it guarantees certified quality. It stands as a crucial piece of gear for rigorous work settings, perfectly integrating lightweight comfort, vital visibility, and verified safety.
