CHEF COTTON APRON

Introducing the CHEF COTTON APRON, a practical and comfortable protective apron designed for professional galley environments onboard vessels, offshore platforms, and catering operations. Manufactured from durable 100% cotton fabric, this apron provides reliable protection, comfort, and everyday functionality for demanding kitchen conditions.

The natural cotton fabric ensures breathability and comfortable wear during long working shifts, while the adjustable waist fastening provides a secure and flexible fit. A spacious front pocket with dual compartments offers practical storage for kitchen tools, utensils, and accessories required during daily galley operations.

Designed for professional maritime catering environments, the CHEF COTTON APRON combines durability, comfort, and practical functionality for everyday kitchen use.
