

Product code:

CHEF COTTON TROUSERS

Introducing the CHEF COTTON TROUSERS, professional galley work trousers designed for maritime catering environments, offshore kitchens, and hospitality operations. Manufactured from durable fine cotton fabric, these trousers provide excellent comfort, breathability, and long-lasting performance for everyday professional use.

The comfortable construction ensures unrestricted movement during busy kitchen operations, while the practical side and seat pockets provide convenient storage for essential items. The lightweight cotton fabric offers natural comfort and durability throughout long working shifts.

Designed for professional marine catering personnel, the CHEF COTTON TROUSERS combine classic galley styling with dependable comfort and functionality for demanding onboard kitchen environments.

Origin - Designed for professional marine and galley use
