

Product code:

SAFARI TROPICAL SHORTS

Introducing the SAFARI TROPICAL SHORTS, lightweight and durable work shorts designed for marine, offshore, and industrial environments in warm-weather conditions. Combining comfort, practicality, and professional styling, these versatile shorts provide reliable performance for everyday onboard duties, dockside operations, and outdoor industrial work.

Manufactured from a durable cotton-polyester fabric blend, the SAFARI TROPICAL SHORTS offer excellent comfort, breathability, and long-lasting wear performance throughout extended working shifts. The ergonomic construction ensures unrestricted movement and everyday comfort during physically demanding tasks in hot and humid environments.

Designed for practical functionality, the shorts feature multiple side and back pockets for convenient storage of tools, accessories, and personal items required during daily marine operations. The pleated front construction and zipper fly closure provide a clean professional appearance suitable for maritime crews and industrial personnel.

Ideal for tropical climates and warm-weather operations, the SAFARI TROPICAL SHORTS combine lightweight comfort with durable workwear performance for professional marine use.

Origin - Designed for professional marine and industrial use
