

Product code:

SAFARI UNIFORM SHIRT

Introducing the SAFARI UNIFORM SHIRT, a classic and professional uniform shirt designed for marine crews, port personnel, and maritime service operations. Combining comfort, durability, and timeless uniform styling, this versatile shirt is ideal for onboard duties, dockside administration, hospitality services, and professional marine environments.

Manufactured from a durable cotton-polyester fabric blend, the SAFARI UNIFORM SHIRT provides long-lasting comfort and reliable wear performance throughout extended working shifts. The regular-fit construction ensures unrestricted movement and a clean professional appearance suitable for everyday maritime operations.

The shirt features two pleated chest pockets with protective flaps for practical storage, while shoulder epaulets with button fastening allow easy rank or insignia attachment. The fused collar maintains a sharp uniform appearance during daily use, making the shirt suitable for both operational and formal marine settings.

Available in both short-sleeve and long-sleeve versions, the SAFARI UNIFORM SHIRT offers practical versatility for varying weather conditions and professional requirements.

Origin - Designed for professional marine and industrial use
