

Product code:

# SAFARI UNIFORM TROUSERS

Introducing the SAFARI UNIFORM TROUSERS, practical and durable work trousers designed for marine, offshore, and industrial environments. Manufactured from a comfortable cotton-polyester fabric blend, these professional trousers provide durability, comfort, and reliable performance for everyday onboard duties, dockside operations, and industrial maintenance work.

The ergonomic pleated front construction improves freedom of movement and wearing comfort during active work tasks, while the zipper fly ensures practical everyday functionality. Multiple side, seat, and back pockets provide convenient storage for tools, accessories, and personal items required during daily marine operations.

Designed for long-lasting professional use, the SAFARI UNIFORM TROUSERS combine classic workwear styling with dependable comfort and functionality for maritime and industrial working environments.
